Subject: Join the Leadership Class on their Trip to the State Legislature

Leadership La Porte County is teaming up with the Unity Foundation to provide an affordable opportunity for interested La Porte county residents to visit the State Capitol in Indianapolis on Tuesday, March 26th. This trip is ideal for individuals who have business with our State officials, are aspiring to run for office, or have never visited the state legislature. This is a great opportunity to see legislation in action and to meet with La Porte County legislators. The trip is offered as part of the Leadership La Porte County 35th class. A few seats are available for community residents on a first-come first served basis. High school students are also invited to participate.

The bus will leave La Porte at 6 am (CST) and return around 6 pm (CST). Attendees can take a tour of the historic Capitol building, visit committees, and view the House and Senate, which are expected to be in session. A box lunch with local legislators is included. The cost of the trip is \$30 and includes the bus transportation and lunch.

We also invite members of the Michigan City Chamber of Commerce and the Greater La Porte Chamber to join us. "We are excited to partner with Leadership La Porte County on this year's trip and offer this educational and networking experience to our Chamber members," said Katie Eaton, President of Michigan City Chamber of Commerce. "We are grateful for the financial support of the Unity Foundation and the opportunity to invite Chamber members to join us. We welcome any interested community member to participate." stated Leadership La Porte County Executive Director, Monica Komasinski.

“Unity Foundation supports education at all levels including learning how government works. People will see first-hand what’s behind the headlines, meet new people and talk directly with our legislators.” said Maggi Spartz, Unity President.
