

Huge Moment in time for the Vibrant Communities of La Porte County Initiative at the Summit on the Future

Opportunity to help shape the future vision of La Porte County's communities.

La Porte County, IN (November 25, 2019) – The Vibrant Communities Initiative will host a first-of-its-kind event for the community of La Porte County on December 4th in the La Porte Civic Auditorium. The Summit on the Future event represents the next step in the Vibrant Communities Initiative. During the meeting participants will receive information from the first round of community conversations followed by a discussion on the direction of the work to come. The input gathered during the Community Conversation Workshops held throughout the county has led to the development of a communitywide vision to guide the county forward. The Summit is an opportunity for everyone passionate about the future of their community to help refine the vision, identify major themes and make big choices about investing in the future.

“The Summit is a big-time opportunity for our communities. It represents a chance for us to share what we’ve learned so far and determine how we want to proceed” said Jack Arnett, Executive Director of the La Porte County Convention and Visitors Bureau. “This is a unique opportunity for all our communities to define the vision that will guide us for decades to come. We’ll also be discussing the major themes facing our communities that will lead to the final action agenda for us to implement.”

The La Porte County Convention and Visitors Bureau and Unity Foundation of La Porte County are coordinating the Vibrant Communities Initiative with support from local partnerships. The final action agenda will include numerous programs, policies and projects that strive to address major trends impacting La Porte County. The vision will serve as the overarching guide for all the major themes and actionable items outlined in the action agenda. The Summit on the Future event details are as follows:

Summit on the Future
Wednesday, December 4
6:00 – 8:00PM CDT

La Porte Civic Auditorium
1001 Ridge Street
La Porte, IN 46350

The event will include several interactive activities to engage the public in a discussion about the vision for the future. Registration is not required but will help the planning team prepare for the event, visit:

Vibrant

COMMUNITIES OF LA PORTE COUNTY

“We are eager to give more people the opportunity to have a voice in shaping our collective future. The last time we did this on a county-wide level was 1992. A lot has changed since then.” said Maggi Spartz, Unity Foundation president.”
