FUND**

Support for public education in  
Michigan City

## ABOUT US

We are Elston graduates coming together to support public education in our home town.

Our generosity can make a difference for Michigan City youth while at the same time create an enduring legacy.

**"Your financial support will enhance the educational experience of Michigan City Area Schools students now, and for generations to come."**

**Dr. Barbara Eason-Watkins  
Superintendent-Michigan  
City Area Schools**

## OUR PROGRAM

### WHY

The purpose of the fund is to provide grants for worthwhile educational initiatives for which budget dollars are not available.

### WHAT

Grants could include materials, equipment, supplies, and programs. Here are some 2019 grant opportunities:

High School student Summer College field trips to Indiana and Purdue.

Enrichment books for Teacher Literacy Academy.

Safe Harbor Robotics/Engineering Summer Camp.

Safe Harbor after school manufacturing academy.

### HOW

A donation of any size would be greatly appreciated! THANK YOU!
