

In Memory of Zach McCoy - #16

You left our world on 6/18/16

You will be Forever in our hearts

Zach was an amazing young man. He was happy, loving and generous. He made friends with everyone he met and was always happy to help a friend in need.

He was an outstanding soccer player, achieving numerous accolades throughout his career including: MVP 3 years at LaPorte High School, All Conference, All District, All State, a 2 time HA Soccer Player of the Year, and a member of the 2008 Sectional and Regional Championship team. Zach excelled in the classroom, was a member of the National Honor Society, All Academic Teams as a Jr. and Sr. at LPHS. He earned athletic and academic scholarships to Bethel College where he was a starter in both his Freshmen and Sophomore years. He was hard-working, intelligent, personable, gifted, and had an entrepreneurial spirit.

Zach's Family and Friends have established a memorial fund through the Unity Foundation of LaPorte County:

The Zach McCoy Youth Development Fund

Funds raised and donated in Zach's memory will be used for a variety of charitable causes to support the development of our community's youth. The "Zach McCoy Memorial Soccer Tournament" held this summer raised over \$2,000 to help start this fund. Family and friend donations will continue to keep Zach's generous and friendly spirit alive. Donations may be made through the Unity Foundation @ UFLP.NET

We plan to continue the Zach McCoy Soccer Tournament next year and will post information about that in the Spring.

We would like to thank everyone for the love and support you have given to our family throughout this difficult time.
