

J. Robert & Marjorie Miller Teacher Advancement Grant

Bob and Marjorie Miller made important, lifelong contributions to public education in the La Porte Community Schools. Bob, a long-time superintendent, and Marjorie, a lifelong teacher, shared a passion for education.

→ Details

This opportunity was created to promote teacher excellence and innovation through professional enrichment, renewal and revitalization leading to more engaged teaching and more engaged students within the La Porte Community School Corporation. Grant awards are intended to assist teachers pursuing education opportunities not normally provided by the corporation, such as summer programs, projects, internships and site visits, in order to learn new skills or improve existing ones.

→ Eligibility

Licensed school teachers employed by the La Porte Community School Corporation

→ How to Apply

Email unity@uflc.net to register for an account. Include your school name in the message.

→ Award

Grant awards are typically no more than \$1,000. The award will be paid by Unity Foundation directly to the school or program provider.

Applications will be accepted on a rolling basis until funding is expended.
