

2024 Lake Hills Connie Bachmann Scholarship (\$500)

In honor of the very first principal of Lake Hills Elementary School, Mrs. Connie Bachmann, the Lake Hills Elementary School Team, in partnership with Unity Foundation of LaPorte County, and the Bachmann family, will award an annual \$500 scholarship to a graduating high school senior to help fund the costs of their pursuit of a secondary education. The scholarship is intended to reward students whose goals and dreams first started to form inside the classrooms, halls, the playground, and homes that make the Lake Hill Lions' community the amazing place it has been since opening in 2011!

Requirements:

To be eligible, the applicant must have attended Lake Hill Elementary School anytime from K-6 th grade. Scholarship Funds can be used to cover tuition, room and board, books, travel to and from the post-secondary institution, or other costs associated with pursuing a degree or certification. Please note, priority will be considered for those who graduated from Lake Hills and/or attended the school for a greater portion of their elementary education.

In order to apply for the scholarship, the following information must be completed and emailed to dmunoz@mcas.k12.in.us by May 1 at noon. The winner will be notified after the applications are reviewed, but no later than June 1.

Please fill out the attached scholarship application form and include:

- 1) Student's GPA and class standing, verified by a High School Guidance Counselor.
- 2) Written references from two educators of the applicant's choice (teachers / principals / counselors)
- 3) A short narrative that highlights the student's high school activities, community involvement, secondary education future plans, and additional goals (for instance – the job the applicant hopes to pursue after completing their secondary education).

The scholarship winner will be honored as part of the Lake Hills Stepping Up Assembly (date to be determined) . He/She will be asked to attend the ceremony and offer a short acceptance speech as well.

Thank you for your interest in the scholarship! We look forward to hearing the stories of our Lions alumni charting their future path in the world, and using this scholarship named in Connie Bachmann's honor to play a small part in helping one of those Lions pursue their dreams. After all, there is no greater success for any educator than to see the difference they made in helping their students achieve their life goals, so know that all your work to date to chase those dreams is making the Lake Hills staff and community proud of you!
